#### Parade Instructions

**Entries will be judged** on presentation, decorations, originality and safety. Costumes and crew performances are also welcome. We encourage you to throw candy, or beads to the spectators along the seawall. Winners will be announced on VHF Ch-68. Prizes will be distributed at the Bord du Lac Marina after the fireworks.

**Obtain boat number** by land or sea from 5-6pm at Bord du Lac Marina. Parade coordinators will be there to assist you. You will be given a number and told the name of the boat that will precede yours in the line. After receiving your position, remain close to the boat that you will follow until ready to move to the line-up area in the southeast corner of the lake. The parade will travel **into the wind** along the seawall. Display your number on the side facing the seawall.

**Monitor VHF Ch-68 and for emergencies, monitor Ch-16.** Calcasieu Parish Sheriff's Department Marine Division, Louisiana Wildlife and Fisheries and the U.S. Coast Guard will be on hand to assist where needed. The parade will move toward the seawall at a speed of 5 knots. Once the parade of boats has started to move, follow the boat ahead of you and **maintain a distance of no more than 100 feet between boats at all times.** Maintain a steady speed. If for any reason you have to pull out of the parade, do so by making a 90-degree turn out of the parade and signal the boat behind you to continue to pass. After passing the seawall twice, the parade line will turn out into the lake and break up. It is important to stay in the parade line-up until reaching the break-up point.
